A warm and festive welcome to the latest Parish Council (PC) newsletter.

The council has had a very busy year handling numerous planning applications, organising our first Summer Fair, liaising with regard to highways issues and looking at the future impact of HS2.

HS2 RAIL UPDATE

See overleaf for important news about public meetings. Have your say before the next stage of the plan from end January 2014.

SUCCESS AT THE FAIR

The Summer Fair on the Doddington Estate was a great success, thanks to everyone involved in organising the event. People came in their droves to support the school, church and village hall and we raised over £1,000 which was split three ways between those organisations.

A special thank you to Lady Delves-Broughton and Mr Bruce Johnston for the use of land on the estate.

We have already been asked to organise another Summer Fair next year, so please look out for a date in the next newsletter.

HIGHWAYS

You will have noticed more road repairs around the parish. The PC have been busy ensuring roads are kept in good order and we are constantly suggesting areas for resurfacing to the Nantwich Local Area Partnerships Meetings. These are where Cheshire East Council work with local people and partners to understand the issues, needs and preferences that are important in their area. In the current economic climate it has been difficult to convince the Highways Department to allocate schemes to our Parish.

THANK YOU

A huge thank you to staff, friends and committees of the school, village hall and church for all you do in the community.
